Schedule 2 (Commuted Holloway Policy)

Article 1 Commuted Membership

- (I) An Income Member or Income Plus Member shall become a Commuted Member under this schedule if his election for such under Schedule 1 Article 6 or Schedule 3 (Holloway Income Protection Policy) Article 6 is accepted by the Board.
- (II) The annual Contribution of each Commuted Member will fall due on the 1st January each Year and will be determined in accordance with the Rates for this schedule. At the discretion of the Board, a Commuted Member may apply in the form prescribed from time-to-time to decrease or increase his Shares.
- (III) The Rates for this schedule will be determined by the Board from time-to-time. The Rates can be amended by the Board at its discretion.

Article 2 Arrears in Contributions

- (I) A Commuted Member who is more than four months in arrears with his Contributions shall be liable to expulsion from the Society, but if he is unable to pay his Contributions as a consequence of distressed circumstances he may apply to the Secretary in the manner prescribed by the Board for an extension; and the Secretary shall have the power, upon receiving satisfactory evidence of the reason for his inability to pay, to grant such an extension or agree a payment plan. Failure to comply with the extension granted, or the payment plan agreed, will make him liable to expulsion in the same manner under this paragraph as if no extension or payment plan had been agreed.
- (II) A Commuted Member expelled from the Society under this Article will be treated as if he had voluntarily retired or resigned from Commuted Membership under Article 7. The Secretary is authorised to deduct and retain from the final balance of the Commuted Member's ICA, calculated in accordance with Article 7 (V), any arrears of Contributions.

Article 3 Arrears in Contributions

Any Commuted Member who is unable to pay his Contributions in consequence of distressed circumstances may apply in writing to the Secretary to have his Contributions paid from his ICA with the Society; and the Secretary shall have the discretion, upon receipt of what he deems to be satisfactory evidence, to allow such Contribution to be paid as aforesaid, provided always that after such remission the amount standing to his credit is not reduced below the sum apportioned to him from the latest two years' Income Bonuses. The Secretary's view of what constitutes distressed circumstances and satisfactory evidence shall be final.

Article 4 Income Membership and Income Plus Membership

A Commuted Member at any time may, with the consent of the Board, apply to discontinue his Commuted Membership under Schedule 2 (Commuted Holloway Policy) and again become an Income Member or Income Plus Member in the same manner as an Applicant under Schedule 1 (Holloway Income Protection Policy) Article 1 or Schedule 3 (Holloway Income Protection Plus Policy) Article 1 respectively.

Article 5 Arrears in Contributions

- (I) At every 31st December, the Board shall ascertain and set aside the sum of all Contributions received into the Revenue Account from Income Members under Schedule 1 (Holloway Income Protection Policy), Commuted Members under Schedule 2 (Commuted Holloway Policy) and Income Plus Members under Schedule 3 (Holloway Income Protection Plus Policy) during that Year, together with such proportion of interest yielded on the invested funds of the Society during that Year as the Board may deem equitable, less deductions during that Year for:
 - (a) All Income Benefit claims made by Income Members under Schedule 1 (Holloway Income Protection Policy) and Income Plus Members under Schedule 3 (Holloway Income Protection Plus Policy);
 - (b) The costs of management of the Society as met from the Revenue Account; and
 - (c) Any sum which the Board may consider prudent to transfer to a Reserve Fund.
- (II) The amount set aside under paragraph (I) of this Article (excluding any interest yielded on the invested funds of the Society that are to be apportioned in accordance with paragraph (IV) below) shall be allocated as Income Bonuses to the credit of the ICA of each Income Member, Income Plus Member or Commuted Member in the books of the Society in proportion to the number of Shares held by him during that Year ended 31st December.
- (III) An Income Member, Income Plus Member or Commuted Member paying less than a full year's Contributions to the funds of the Society, or who varied his holding of Shares during that Year ended 31st December, shall be entitled to a part only of the Income Bonus under paragraph (II) of this Article for the days in which the appropriate Contribution has been paid.
- (IV) Interest shall be calculated on the balance standing to an Income Member's, Income Plus Member's or Commuted Member's credit in his ICA at the commencement of that Year. This interest shall be adjusted as appropriate in proportion to the number of days before and after any withdrawals or deductions made during the year from an Income Member's, Income Plus Member's or Commuted Member's ICA. Interest shall be apportioned at such a rate as the Board shall decide at its discretion and shall be placed to the credit of each Income Member's, Income Plus Member's and Commuted Member's ICA.
- (V) The division of surplus funds and interest calculations directed under this Article shall be made only provisionally and for the purpose of ascertaining the share in the surplus funds of the Society which an Income Member, Income Plus Member or Commuted Member would be entitled to have paid to him upon his ceasing to belong to the Society in accordance with the relevant provisions of Schedule 1 (Holloway Income Protection Policy), Schedule 2 (Commuted Holloway Policy) or Schedule 3 (Holloway Income Protection Plus Policy) respectively.
- (VI) Each Income Member, Income Plus Member and Commuted Member will be entitled to an annual interest and Income Bonus statement confirming the interest and Income Bonuses declared for the 31st December under this Article by no later than the 30th June of the following Year.

Article 6 Terminal Bonus

- (I) The Board may, if in its opinion the relevant funds of the Society so permit, declare on 1st May, or on such other date or dates as it may select, in each Year a terminal bonus which will apply for the following twelve months or until the date of its next terminal bonus declaration. A terminal bonus shall be an amount calculated as a percentage addition to the amounts withdrawn by retiring Commuted Members under Article 7 (I)(a).

- (II) When determining the percentage level of a terminal bonus the Board shall give consideration to the relationship of the balance of the Reserve Fund at the previous 31st December to the provisional total balances of all the ICAs of Income Members, Income Plus Members and Commuted Members as at the same date. For the purpose of this comparison the Board shall make such adjustments to the balance of the Reserve Fund as it thinks equitable, particularly with regard to the valuation of the Society's investments at that time.
- (III) The Board at its discretion may declare more than one terminal bonus percentage under paragraph (I) of this Article based on objective criteria and the eligibility of an Income Member, an Income Plus Member or a Commuted Member for a particular percentage level declared will be determined by that same criteria.

Article 7 Termination of Commuted Membership and Withdrawals of Capital

- (I) (a) From his sixtieth birthday a Commuted Member may terminate his Policy and cease to Contribute to the Society. He shall thereupon be entitled to receive the whole amount then standing to the credit of his ICA, calculated in accordance with paragraph (V) of this Article, subject however to such deduction (if any) as the Board may decide in respect of actual or anticipated losses on the realisation of investments not fully covered by any Reserve Fund set up for the purpose of meeting such losses.
- (b) Upon the death of a Commuted Member at any age, his Policy under this schedule will terminate from the date of his death in the same manner as if he retired under paragraph (I)(a) of this Article, save that payment of the final amount due shall be subject to the terms of paragraph (VII) of this Article.
- (II) If any Commuted Member is forced to retire from his occupation or occupations on ill health grounds before attaining his sixtieth birthday or Policy Retirement Date, he may with the consent of the Board, be permitted to retire under paragraph (I)(a) of this Article. To gain the consent of the Board the Commuted Member must produce reasonable evidence that he has ceased to be engaged in the work he had previously undertaken, is incapable of engaging in that kind of work by reason of ill health, and is likely to remain so incapable.
- (III) In the event of any Commuted Member wishing to terminate his Policy before attaining the age of sixty or his Policy Retirement Date, whichever is sooner, at the Board's discretion he shall give thirty days' notice to the Secretary in the form prescribed from time-to-time. If the Commuted Member resigns after less than two years of Membership from the date his Policy commenced he shall forfeit any funds accumulated in his ICA and any surplus Contributions made. Otherwise he will be entitled to the amount standing to the credit of his ICA calculated in accordance with paragraph (V) of this Article, subject to the deduction of the last two Years of Income Bonuses credited to his ICA and such deduction (if any) as the Board may decide in respect of actual or anticipated losses on the realisation of investments not fully covered by any Reserve Fund set up for the purpose of meeting such losses.
- (IV) Any Commuted Member may once a Year apply to the Secretary in the manner prescribed from time-to-time for a partial withdrawal from the funds provisionally allocated to his ICA. If the Commuted Member is sixty or older on the date of his request, he may specify the amount he wishes to withdraw providing he does not withdraw all of the funds. If he has not yet reached his sixtieth birthday on the date of his request, he must apply under one or more of the circumstances listed below. Unless otherwise determined at the discretion of the Board, a withdrawal request from a Commuted Member under this paragraph can be for a maximum of five hundred pounds at any one time, subject always to the balance of his ICA, less the cumulative value of the last two Income Bonuses to his ICA substantiating his request.

- (a) Medical treatment: to meet exceptional expenditure incurred as a result of an operation or special treatment to a Commuted Member, his spouse or dependent child. Satisfactory medical evidence of the necessity for such operation or special treatment must be submitted to, and be approved by, the Secretary.
 - (b) Necessitous circumstances: to alleviate the financial situation of a Commuted Member finding himself in necessitous circumstances and in need of urgent funds. Satisfactory evidence of the necessity and full details of the circumstances must be submitted to, and be approved by, the Secretary.
 - (c) Death of spouse or relative: to meet the funeral or other costs arising upon the death of a Commuted Member's spouse, child, adopted child, stepchild, father, mother, brother, sister, nephew, niece or orphan ward. A certificate of death (and a marriage certificate or evidence of adoption when applicable) must be produced to, and be approved by, the Secretary before the sum can be withdrawn.
- (V) Upon termination of Commuted Membership in accordance with this Article, subject to any forfeiture or adjustment conditions that may be applicable under this schedule, there shall be paid the following:
- (a) The balance of the Commuted Member's ICA as at 31st December of the Penultimate Year, less any withdrawals from the ICA made since that time;
 - (b) Interest calculated on the total of the balance under sub-paragraph (a), less a deduction calculated for the appropriate number of days for any withdrawals made since the 31st December of the Penultimate Year, plus an Income Bonus in proportion to the Shares the Commuted Member Contributed towards since the 31st December of the Penultimate Year. If an interest and Income Bonus declaration has not been made under Schedule 1 Article 10 for the 31st December of the Penultimate Year at the time of the retirement or resignation, a declaration will be made in accordance with Article 5 at the interest and Income Bonus level declared for the Year prior to the Penultimate Year, and the interim interest and Income Bonuses calculated under this sub-paragraph will also be made on the interest and Income Bonus levels declared for Year before the Penultimate Year; and
 - (c) If a Commuted Member qualifies for retirement in accordance with paragraph (I)(a), then a terminal bonus will be applied in accordance with Article 6 on the cumulative amount of sub-paragraphs (a) and (b) of this paragraph.
- (VI) Prohibition of charges: A Commuted Member may not (other than to the Society) assign, mortgage, charge or otherwise dispose of his interest in his ICA or any part thereof. If a Commuted Member shall, or attempts to, assign, mortgage or charge his ICA or any part thereof; or if he becomes bankrupt or suffers anything whereby his ICA or any part thereof would, if belonging to him absolutely, be liable by operation or process of law to become vested in or payable to some other person; his ICA shall be forfeited, and the funds provisionally apportioned to that ICA may be applied by the Society for the benefit of any relative or dependant of the Commuted Member, or be transferred to the Reserve Fund or general funds of the Society, as the Board may decide at its discretion, subject to any abatement in respect of losses on the realisation of investments not fully covered by any Reserve Fund set up for the purpose of meeting such losses.
- (VII) Any sum due from the Society on the death of a Commuted Member in accordance with paragraph (I)(a) of this Article, less such amount as may be due under a valid nomination made under Article 8, shall be due to the person entitled once all proper legal requirements have been duly complied with. No money shall be paid by the Society (except as otherwise provided by legislation) upon the death of a Commuted Member until the Secretary is in receipt of an official certificate of death, and then receives either the Grant of Probate relating to his estate, or letters of administration to his estate, or of a certificate of confirmation to his estate.

(VIII) In the event a Commuted Member has his membership of the Society terminated under Rule 8 of the Society's Rules, any Policy he holds under this schedule will be treated as a voluntary retirement or resignation under this Article unless the Board determines that the circumstances in which Rule 8 has been applied make the relevant provisions of Article 2, Article 9 or Schedule 1Article 7 the most suitable to ensure the Society's membership is not financially prejudiced by the adverse or irresponsible behaviour of the Commuted Member.

Article 8 Nomination of persons to receive monies payable on death of Commuted Member

- (I) Any Commuted Member who has attained the age of sixteen may nominate a person or persons to whom the money payable by the Society on his death, or any part of the money so payable as the Commuted Member may specify, shall be paid following his death. The total amount which may be so nominated shall be limited to such sum as may be permitted by legislation.
- (II) A nomination, variation or revocation shall be in the form prescribed by the Secretary from time-to-time.
- (III) The person or persons so nominated must not at the date of the nomination be an officer or an employee of the Society, unless that officer or employee is the husband, wife, child, father, mother, brother, sister, nephew or niece of the Commuted Member.
- (IV) A nomination so made may be revoked or varied by a subsequent nomination in accordance with paragraph (II) of this Article, but a nomination will not be revoked by a subsequent will. A nomination will automatically be revoked if a nominee predeceases the Commuted Member.
- (V) The marriage or divorce of a Commuted Member shall operate as a revocation of any nomination previously made by him.
- (VI) The Society shall keep a record of every such nomination, revocation or variation.
- (VII) On receiving satisfactory proof of the death of a Commuted Member, the Society shall pay the amount due to the duly appointed nominees under this Article. Receipt by the persons so nominated shall be a complete discharge to the Society. The Society shall not be concerned with the application of the monies paid.

Article 9 Misrepresentations and Non-disclosure

- (I) A Commuted Member shall be under a duty to take reasonable care, before and during his time as a Commuted Member, not to fail to disclose or make any misrepresentations to the Society in response to a request for information.
- (II) If a Commuted Member is found to have failed in his duty under paragraph (I) of this Article, at the Society's discretion:
 - (a) His Policy may be treated as either never having started, or he may be deemed to have retired or resigned in accordance with Article 7;
 - (b) He may be required to agree to Special Conditions as a condition of his Policy not being brought to an end under sub-paragraph (a).
- (III) If a Commuted Member receives any benefits as a result of a breach of paragraph (I) of this Article he can be ordered to repay such benefits to the Society. Unless an alternative repayment arrangement is agreed with the Board, the Commuted Member must repay such benefits within 8 Weeks of the Society's request.
